Welcome to our Spring Newsletter - we have some exciting new things to tell you that we are really thrilled about.

Are you embarrassed by missing teeth or loose dentures?

Do you cover your mouth when you smile?

Do you avoid certain foods when wearing a denture?

We can help you!

See our treatment coordinator to find out about DENTAL IMPLANTS.

Worried about finance? We have various options available - just ask!

- We are delighted to be expanding the treatment Coordinators' role in the 2 practices for all our new and existing patients. Our Treatment Coordinators are here to explain all about the treatments that are available to you - we truly want you to experience the very best from Dental Studio and all we have to offer you.
- At the end of May, Usha Ramjas will be returning to America to gain yet more knowledge on cosmetic techniques and smile makeovers, we can't wait to see what new ideas she comes back with.
- Have you thought about having your teeth whiter and brighter for Spring? Maybe you are looking

for a new job or would just like some more confidence when you smile, why not book in with Karen, our treatment coordinator, to chat about having a lovely white smile. Karen will discuss all the options with you. *We can offer you 10% off your whitening in April & May.*

- We welcome feedback about our new format newsletter, please let us know what you think. Why not follow us Facebook? Log on and go to - www.facebook.com/dentalstudio2, click like and then leave us a comment - what's the

best thing you like about us?
