- We are delighted to be expanding the treatment Coordinators' role in the 2 practices for all our new and existing patients. Our Treatment Coordinators are here to explain all about the treatments that are available to you - we truly want you to experience the very best from Dental Studio and all we have to offer you.
- Very soon we will say goodbye to one of our nurses, Andrea, we all wish her the very best in her new beginnings. Our new team member will be Sacha and we look forward to welcoming her to the team at Waterlooville.
- At the end of May, Usha Ramjas will be returning to America to gain yet

more knowledge on cosmetic techniques and smile makeovers, we can't wait to see what new ideas she comes back with.
